### IN SUPPORT OF

With donation and volunteer support from the community, **Habitat for Humanity** is able to help people, who live below the poverty line or are in financially vulnerable situations, to secure affordable homes with interest-free mortgages.

Since 1983, **Cornerstone** has been working closely with the municipal, provincial and federal governments, local businesses, community and church groups, donors and volunteers. It offers a wide range of services to assist homeless women to seek healing and new opportunities.

**St. Richard's** is a welcoming, caring, Christian community filled with warmth, vibrancy and a diversity of music and worship. We offer a variety of opportunities for Spiritual learning, growth and service to others through outreach to our communities.
